English guide – week 10

Aim – to write your own List poem

This week, next week and the week after, we will be doing our English in the same way as we did in week 6 and 7 – using a booklet.

We will be using the **Journey to the Jungle** booklet as a main text.

Remember to write everything in your exercise book so you can look back on it and remind yourself of what you have done building up to the writes throughout the weeks.

Remember, activities are linked and need to be done in order. We hope you enjoy it.

Monday	• Spellings • Handwriting
Tuesday	• Read/share the introduction on pages 1- 3. • Now try the activities on pages 4 (visualising words), page 5 (synonyms) and page 6 (sentence work).
Wednesday	• Comprehension – Reread the text on page 3. • Answer the questions on page 7. • Once completed, you can check your answers on page 20 of the booklet.
Thursday	• Look at pages 8 and 9. • Plan, write, edit and improve your own list poem. (You may want to do this over today and tomorrow.) Remember to use the planner in the booklet and the advice on what to include e.g. alliteration, powerful verbs and exaggerated language.
Friday	• Preparation for next week's writing - Creative challenge page 10
