

Keston Nursery Spring 2

Digging It!

This half term, our focus books are 'Yucky Worms', 'Jasper's Beanstalk' and 'Oliver's Vegetables'. We will start to learn about minibeasts and then move on to learning about plants and growing things.

Dates for this half term...

Spring Workshop: 'Marvellous Mark Makers'

On Friday 2nd March

We do encourage all children to bring an adult with them to the session!

Sorry, this session is not suitable for toddlers.

Sessional care is available as usual.

Please discuss any difficulties with the class teacher.

Also, on Friday 2nd March

We will be celebrating World Book Day.

The children are invited to come to school dressed up as a book character (although please be aware that there will be lots of messy activities as part of our Mark Making Workshop - do come in normal footwear as the outside learning environment will still be open).

Once again, we would like to invite you to join us for part of the morning to join in with the children's independent learning activities and share your child's Learning Journal with them.

Come along on **Thursday 22nd March** from 9am until 9.30am.

Monday 26th - Thursday 29th March

The last week of term is our school 'Arts Week'. The children will visit all areas of the Early Years and take part in lots of fun activities linked to different artists.

The **Learning Library** will be open on Friday mornings before school. We really value your 'parent feedback' contributions!

Thank you to those who continue to provide 'WOW' moments from home to add to the children's Learning Journals. These, as with the feedback forms from the Learning Library, provide us with a whole picture of your child's learning & development.

****Sessional Care families, please remember that school finishes at 2pm on the last day of term (Thursday 29th March).***

Thank you for your continued support
The Nursery Team
