

Family Woman Day Feedback- Friday 27th 2017

<u>What Went Well?</u>	<u>Was there anything you enjoyed in particular?</u>	<u>What could we have done to make the morning even better?</u>
<ul style="list-style-type: none"> • Organisation of the morning was excellent • Very well organised. Nice to gather all together before being sent to classes and then at break time • The interaction and involvement with both the children and teachers • I enjoyed doing craft activities and having a free play in the garden • Seeing the children playing and learning together • Nice how children able to work on different projects and can choose what they would like to do. Good choice of activities to choose from • The assembly went well, seeing the awards and what's gone on in the school • The assembly was really nice to watch, seeing all the awards and getting a better understanding of what happens. The break out sessions in the classes mean you are dealing with a small enough group for it to be fun and enjoyable • It was lovely to see my son at school, very well organised, nice to see the teachers in action • Interaction with students and teachers in class. It was a joy to witness the children's enthusiasm for their English • Was very organised • The teacher included all the children • Class topic was very interactive - got the mum's brains working! Seeing how the class teacher interacts with the children. Assembly was good. It was good that it was a proper structured lesson 	<ul style="list-style-type: none"> • The task was enjoyable, time to talk to the children • Just being in classes with the girls and seeing what their normal day at school involves • Assembly, what a lovely way to end the week • Joining in the story • All the different activities • Enjoyed working from table to table trying different things • The activity was great fun getting to know and help the other children • Seeing the class dynamics. As a full time working mummy this is the first time I have seen Amelia in the classroom environment and I really value this opportunity. This is a real differentiation and helps make Keston a school that embraces everyone • Interacting with the work and helping all the kids on the tables • The teaching was inspirational and uplifting • Spending time in class • I enjoyed helping the children make their shields • Seeing how the kids behaved. Structure of lessons • Working on the tables with my daughters' group was very enjoyable • Really enjoyed interacting with my son in the school environment and getting to know his friends • Getting an idea of what they do in class • Everything. Awards in assembly • Seeing the classroom environment. My granddaughter is in nursery, there was lots of 	<ul style="list-style-type: none"> • Would have preferred a 'lesson' as opposed to craft morning – but I understand the reason why • I really enjoyed my morning, cannot think of anything needing improvement. Thank you • Absolutely nothing • Better advertising of the morning • I enjoyed the morning, everyone was helpful, children all very polite • We could be more interactive or helpful if the teachers shared the plan in advance and asked for assistance. We could then help run / lead sessions, us just sitting passively watching them. It's a fabulous experience though so doesn't need to change • Seemed really short as we had assembly and I had two children to visit • Please shout out the class names more loudly when collecting from the music room – for those who are hard of hearing • Nothing – all very organised • Nothing. Really enjoyed the morning. Very worthwhile event • Nothing in my opinion. Everything was very good • Morning was perfect but would be great to have this event on a more regular basis • An idea of the aim of the lesson from a teaching perspective and how we could support that at home • More time in class • It all went so well and no need to improve on anything. Thank you for organising • Nothing

<ul style="list-style-type: none"> • Everything. Great format, enjoyed the class, the assembly all very good • Being able to see my son in a school / learning environment. Having the opportunity to speak to the teacher / TA in an informal environment • My child was really happy to have me in class. He put lots of details into his shield and kept on task • Everything. Loved spending time with children and seeing what they get up to • Very well organised. Lovely to see the children enjoying having their mum, nans there with them. Also a good insight for us • Organised very well including tea / coffee and the amount of attendees • Meeting other ladies and their children • Everything was good • The whole morning went well • Very well organised morning. Assembly was great • Very well organised and welcoming. Great insight into classroom life • Just seeing how the class works and the excellent discipline maintained 	<p>activities going on at different tables. Wonderful hospitality which I didn't expect. Great to see all the mums catching up and swapping stories</p> <ul style="list-style-type: none"> • My child appeared so happy to have me present in class. Loved watching assembly and how the children had recognition for working hard. The song that was sung was beautiful • Craft activity although found it hard! • Class time and joining in the activities • I really appreciated the assembly. It did make me emotional as it showed such unity amongst the children • I really enjoyed the English lesson the teacher had the children gripped • I enjoyed the English lesson in class and the whole school assembly • Helping with the descriptive writing 	<ul style="list-style-type: none"> • Would have been nice to spend even longer with the children but I appreciate that this is not possible. Thank you for allowing us the opportunity to do this • I don't think anything could be improved. Looking forward to the rest of the day • No, well organised
