

Family Man Day Feedback- 2018

<u>What Went Well?</u>	<u>Was there anything you enjoyed in particular?</u>	<u>What could we have done to make the morning even better?</u>
<ul style="list-style-type: none"> • 2 different classes, enjoyed Maths and Science experiments. • We successfully completed a science activity where the children learnt the effects of acid rain on rocks. • The day went very well, the children seem very interested in the lesson. • Really excellent sessions that I enjoyed. • Good class participation / inclusion. • Great fun, lovely to spend time with Ellen. • Everything!! • The lessons. • All • The whole morning. • Going for a run. • Great overview of maths and English lessons. Very well organised. Able to see both of the classes. Recognition during assembly. • Everything. • Everything. Liked going outside and socialising with the other dads. • Everything. • Children were well behaved and seemed to enjoy the work given. • It was great seeing the children enjoying their classes. • Everything was well organised. • Great turn out and structure, really well structured in class. • Helpers very polite and helpful. All children engaged. • All! • All the children seemed to have fun whilst learning, which made it enjoyable to watch and help out. 	<ul style="list-style-type: none"> • Doing practical work with my daughter and her table. • Joining in with the experiment. • Science lesson. • Generally it was run very well and the children working with us. • Getting involved with groups. • I enjoyed the whole day. • All of it. • Making shadow puppets. • Very good maths lesson in Pullman class. • Seeing the teaching in action and the interaction with the children. Great learning environment. • Making puppets. • Going round the running track and playing. • Assembly was good. • I think the maths and poetry was well thought out and the running was a good idea. • The calming music was a great idea. It seemed to relax the children and help them focus. • Interacting and working with the children to solve problems. Running with the class round the tracks. • Being involved in activity. • Getting involved in the children's work. • All! • I enjoyed watching son excel in his lessons and enjoying himself. • The assembly was very good and it was nice to meet some of the teachers. • Really like the song about the school and was well performed by the children. 	<ul style="list-style-type: none"> • Nothing • Nothing. Enjoyed it! • Have a look at PE or French lessons. • I thought well run. • Nothing! Well done. • N/A • No assembly, more time in class. • Nothing I can think of, thank you. • Nothing, it was enjoyable. • Nothing, great format for parents. • Nothing. • I would be happy to spend the whole day here. A formal sharing of dads details to keep in touch. • I don't think you can do much more the school was very welcoming. • For me everything was great, I wouldn't change anything. • N/A, great day. • No • Perfect morning. • I was satisfied with the morning, very good. • Can't think of anything. • Nothing. • Fine as it is. • Weather. • No, thanks for your efforts in making this happen. • No changes to recommend. • The morning went really well, everything was set to plan, and all children had fun participating. • I would love to spend more time with them. • Happy to extend for a whole day to get involved in the daily routine. • Stay for the whole day, or at least lunch time.

- I really enjoyed both lessons. Maths and poetry and a surprise run around the KM track.
- The event went without a hitch. The children were attentive and excited at the same time.
- Everything is spot on, great to see how schooling has come along since my day, children are far more advanced, teaching staff are superb. Methods for teaching are far more engaging. It was not until start of Junior school we stopped being mini cavemen in my school days.
- The organisation of collecting us to go to class.
- Time spent in classroom helping the kids. Year 2 maths and reading in nursery.
- Story time / making the bus.
- Well organised, quick turnaround, good length of time with both children.
- The whole morning went well.
- The whole thing. Really nice seeing what they do on a day to day.
- The morning was a success. I enjoyed the classes and the assembly – particularly hearing about the children's achievements.
- I think everything went well, all children were friendly and chatty.
- All of it. Really nice for the insight into their day.
- Really good to see a typical morning routine and get involved in some of the activities they do.
- Organisation.
- Everything, very well organised.
- Well planned, very enjoyable.
- Painting the bus was fun. As was playing outside with the toys and cycles.
- Helping the children in the classroom.
- Good split between both classes.
- All good.

- Always good to come into school to see the children getting on and what they are going at school (changed so much).
- Seeing the awards in assembly.
- Seeing how the kids learn (Yr 2)
- Painting the bus with Alfie. Learning how my son interacts with other children.
- Insight into assembly and just day to day activity.
- It was good having lots of different activities to join in with my son. The painting in particular was good.
- Story time.
- I had fun interacting with the children whilst the children and adults and teacher 5 5 laps around the field
- Seeing how both boys interact in the school environment. Thank you very much.
- The outside activity.
- The garden walk.
- The walk and run in the fresh air.
- Seeing the interaction with the teachers and the way they learn.
- Enjoyed playing catch and telling story to Ewan and her two friends.
- Enjoyed seeing the children engage with teachers. Assembly was also good.

- No improvement needed. Maybe extend the session.
- I did hear some people say they were only able to see one child when they have two, they thought maybe it could be longer so they could do both, or even split over two session days.
- It was great as it was.
- Nothing.
- Could be a bit more interaction for the parents to engage with the children.
- No maths and bacon rolls!
- Please use real cups/mugs for the tea & coffee as today you have added more unnecessary single use waste to landfill. Surely schools should be taking the lead on this.
