Also how the school is structured.</li> <li>• Votes for schools as I didn't realise they did this.</li> <li>• The interaction between the teachers and pupils was exceptionally brilliant, teachers engaging all the children.</li> <li>• Both the English and Maths sessions were challenging but lively and interesting with many opportunities for pupils to express and share their opinions.</li> <li>• Being able to help create the Tudor house.</li> <li>• How well the children enjoyed the activities.</li> <li>• All of it.</li> <li>• I very much enjoyed Miss Seward's lesson because she is very engaging, enthusiastic and children respond well to her.</li> <li>• It was lovely to do the creative work in year 2 and also see how the teacher made the kids imaginations come to life in year 4.</li> <li>• Working with the children in the classroom.</li> <li>• The murder mystery puzzle and putting music to a story.</li> <li>• The mini murder mystery in year 4, the children really enjoyed it and it was quite tricky for mums too.</li> <li>• Spending time with my child.</li> <li>• The activities set were good to see how the children participate in groups. Both class teachers did very well with the children.</li> <li>• Spending time with own child.</li> <li>• Writing a story from scratch in year 4. Listening to a story being read by the teacher.</li> <li>• Making Tudor houses with all the children.</li> <li>• Maths for year 6, enjoyed seeing what they were learning. Maybe a little longer for sibling parents.</li> <li>• Very enjoyable all round.</li> <li>• Could have had more mums as there were not many in my classes.</li> <li>• Nothing that I can think of.</li> <li>• I honestly don't believe you could have done anything differently and I thoroughly enjoyed the morning.</li> <li>• The time before break was quite short in the classroom due to the assembly. It was nice to go to the assembly but I most enjoyed the classroom time. Might make more sense to get the children seated first and then made the parents stand.</li> <li>• It would have been nicer if the time in my daughter's class hadn't been divided by assembly, as only got half the time.</li> <li>• I think there would be space for more mums if needed.</li> <li>• Less parents, slightly crowded.</li> <li>• Have longer in the first class. By the time we got to class it was after 9.30, and then we only had 30 minutes before assembly. I would rather not spend time with assembly and have more class time, if that's possible.</li> <li>• Nothing, everything was great.</li> <li>• To understand what they currently working on, and give an explanation to parents.</li> <li>• Nothing.</li> <li>• It was all great, thank you.</li> <li>• Nothing.</li> </ul>

- Nothing I really enjoyed it.
- Having to split my time I spent the first half in year 1. The activity was interesting but the amount of teacher led/instruction time and getting organised resulted I only being able to spend 15 minutes being involved / helping my child. This was quite disappointing for both of us. Additionally, the group sizes for the activity meant it was hard to help many of the children.
