

Keston Primary School

PE and Sports Premium Funding

In the academic year 2018 – 2019 Keston Primary received £19,580

The table below shows how this funding was spent:

Amount	Spent On	Impact
£1330	New equipment was bought to support and improve the PE Curriculum and lunchtime provision ensuring that teachers and coaches were well equipped and that children had the necessary resources to benefit fully.	The new range of sporting equipment (including 2 x outdoor table tennis tables) has enabled children to enjoy practicing the skills learnt in lessons, during break and lunchtimes and has also helped foster a love of sport for enjoyment as well as health benefits. It ensured the quality of the lessons being taught was not affected by the loss of or use of damaged equipment.
£18,250	Sports Track – part funding of all-weather track on school field and safety surface under Early Years climbing equipment	All-weather track enables all children within the school to take part in daily miles enhancing pupil fitness and health. From September 2018 all children in KS1 and KS2 have used the track to ensure that they have daily fitness activity. Early Years use the provision throughout the week. The additional of extra fitness sessions have seen an overall increase in fitness of pupils as evidenced by their general improved stamina in PE lessons.
