

Harrison Bear's Festive Adventure

The whole festive season leading up to Christmas is a great opportunity to add interest to our menus and offer something different to make the season special for the pupils.

Commencing 25th November 2019, Harrison Bear will travel around Europe and stop at 10 different countries during his travels for some yummy traditional festive foods. He will then finally come back home to England for his Christmas lunch.

This will give pupils the opportunity to sample some really interesting and tasty seasonal treats, whilst learning where they come from.

Every child that chooses a featured pudding will receive a sticker on that day. At their Christmas lunch, every child will be given a sticker.

On Christmas lunch day, there'll be a prize draw for one pupil to receive a Harrison Bear soft toy. This will be a random prize draw done by the school.
