

Year 2 home learning expectations

English:

Comprehension:

Please complete the next two pages in the comprehension homework booklet.

We have also sent home a reading CGP book, please also begin to use this for reading comprehension.

Spellings:

Please continue to complete 1 page of the spelling booklet a week. Please also see attached a spelling website that you may want to use: <http://www.ictgames.com/lcwc.html>

Reading:

We strongly encourage to still read 5 times a week and to write this in your child's reading record.

Please also see attached to the school website reading and grammar resources for your child to complete.

Writing:

We have attached writing prompts to the school website, the children can use this for inspiration and can write stories using all the skills they have learnt this year.

Handwriting:

We have also attached handwriting sheets, please use these so that the children can continue to practice their handwriting.

Maths:

Please continue to practice the 2s, 5s and 10s times table and the four operations (+ - ÷ x) with your children.

On the school website there are multiple resources that your children can complete on a daily basis.

On the website we have uploaded a very useful times table website for your children to use. Please follow the instructions and use your child's login that was sent home for you.

We have also sent home a maths CGP book please begin to use this.

This is a fantastic website that the children can use: <https://www.topmarks.co.uk/maths-games/hit-the-button>

Explore and Discover:

We have been learning all about materials this half term and below will give you some ideas of some work the children can do at home.

Make a nest: Use twigs and sticks from the garden to make a nest for the birds.

Build a house: Can the children make a strong house using recycled materials in the house.

Please see below some links for activities linked to materials.

<http://www.crickweb.co.uk/ks1science.html>

<https://www.bbc.co.uk/bitesize/topics/zrsgk7/articles/z9pgcdm>

<http://www.sciencekids.co.nz/gamesactivities/materialproperties.html>

We encourage at least one maths and one English task to be complete every day. Along with daily reading. We will continue to upload work for the children. So do please keep checking the school website for updates.

Thank you,
Miss Slater and Mrs Oraziotti
