### Busy things

In addition, we have set some tasks on 'busy things' to support our home learning activities. See link <https://www.busythings.co.uk/lgfl-login/>

We will be uploading assignments for the children to complete on busy things every Tuesday. The children will have one week to complete each assignment.

We encourage at least one maths and one English task to be complete every day. Along with daily reading. We will continue to upload work for the children. So do please keep checking the school website for updates.
