

Year 3 Guidance and links

Welcome to week 3

Maths

- **Times tables** –continue to learn times tables. See the link below and select the appropriate times tables to generate a quiz. <http://www.timestables.me.uk/printable-pdf-quiz-generator.htm>
- Continue with ‘Hit the button’ games focussing on: times tables, doubles, halves, number bonds to 10, 20 and 100. <https://www.topmarks.co.uk/maths-games/hit-the-button>
- **Maths activities-**
 - new activity mats 1 and 2.
 - Maths arithmetic 5
 - Subtraction activities including decomposition

English

- **Daily reading** - continue with daily reading whether that be the books from school or any other books you may have access to. Please record this in reading records as per normal.
- **Spelling** - Schofield and Sims spelling book + practise sheet (just like school). Book 1 page 23 - The ‘ow’ sound. Book 2 page 24 – adding ful and ness
- **Handwriting numbers 5 and 6**
- **Writing** – Land ahoy - story. Remember to plan, draft, edit and improve your work. You may want to publish it too and add some picture to illustrate the different parts.
- **Grammar** – Grammar activity mat
- **Comprehension** – Volcanos

Explore and Discover

Our topic for this term is *Ready, Steady, Grow!*

- Sorting activity 1
- Activities 2 and 3 - Follow the Power point which includes the link. <http://www.bbc.co.uk/learningzone/clips/a-balanced-diet/10609.html> and complete the ‘Design a healthy meal’ activity. There is an activity sheet you can print off or draw your own and a food pyramid to help you make sensible choices.

Busy things

In addition, we have set some tasks on ‘busy things’ to support our home learning activities. See link <https://www.busythings.co.uk/lgfl-login/>

We will be uploading assignments for the children to complete on busy things every Tuesday. The children will have one week to complete each assignment unless it is an ongoing project.

French

Revisit numbers 1-10 through the link, then challenge yourself with the numbers 13 -20. Finish off with another game of bingo, this time in French!

Music - as recommended by Mrs Woods.

Have fun making music at home. These are some fun musical ideas for your children to enjoy.

<https://www.bbc.co.uk/programmes/articles/m81QMFDSpgV2w8Bn7WBW7G/ks2-music-treasure-island-info>

- This is a fun musical. Meet the characters, download the story and enjoy the 7 songs , before you start try the vocal warm up !

https://www.youtube.com/watch?v=uFYAM_Gn2Wc

- This a daily stomp style session with Ollie Turner. It's great!

[https://www.outoftheark.co.uk/ootam-at-](https://www.outoftheark.co.uk/ootam-at-home/?utm_source=homepage&utm_campaign=ootamathome2&utm_medium=banner)

[home/?utm_source=homepage&utm_campaign=ootamathome2&utm_medium=banner](https://www.outoftheark.co.uk/ootam-at-home/?utm_source=homepage&utm_campaign=ootamathome2&utm_medium=banner)

- Out of the ark have a home learning section where there is song and activities for each day.

Outdoor learning

The Woodland Trust website is useful for engaging your child in outdoor learning. They need a bit of exploring and not all activities / ideas are suitable in these restricted times, however there are many which may be adapted. We have included a couple of links here, but there is much more to discover by exploring the websites more generally.

<https://www.woodlandtrust.org.uk/>

<https://www.woodlandtrust.org.uk/blog/2020/03/kids-nature-activities-self-isolation/>

This is the Woodlands Trust area for **schools**, but it has useful ideas and advice:

<http://treetoolsforschools.org.uk/categorymenu/?cat=activities>

Art

<https://www.youtube.com/watch?v=0Gfke7GNkKM>

- Use this link to show you how to sketch a bowl of fruit, then try to use some of the techniques you have learnt to draw another still life object/objects. Remember, you can stop the video whenever you need to and for as many times as you want.

-

PHSE – emotions board game

Extras

- Encourage your children to continue or start the Keston Challenge and look at the P.E. activities and well as anything else that has been carried over from week 1.

We'd encourage at least one maths and one English task to be complete every day, along with daily reading. Please keep checking the school website for updates. New work will continue to be uploaded on a weekly basis.

Keep smiling,

Mrs Parker, Miss Bagridge and Mrs Eason.
