Guidance and links

Welcome to week 5

Maths (Monday to Friday)

1. Arithmetic and times tables
2. Ordering fractions
3. Adding and subtracting fractions + power point
4. Fractions mystery quiz. Remember < = is smaller than, > = is bigger than.
5. Maths Mat and times tables
    - Times tables reources:
        - Continue to learn times tables. See the link below and select the appropriate times tables to generate a quiz. http://www.timestables.me.uk/printable-pdf-quiz-generator.htm
        - Use the **TT rocket stars** to add to your times tables knowledge and speed. Click on the additional resources link at the top of year 3 learning for more information.

English

- **Daily reading** - continue with daily reading whether that be the books from school or any other books you may have access to. Please record this in reading records as per normal.
- **Remember Oxford Owls too.** **https://www.oxfordowl.co.uk/**
  Click on the additional resources link at the top of year 3 learning for more information.
- **Spelling** - Schofield and Sims spelling book + practise sheet (just like school).
    - Book 1 page 25 – Words ending with the ch sound
    - Book 2 page 26 and 27 - Revision 2 and topic words.
- **Grammar**
    - Grammar mat
    - Embedded clauses. Use the explanation sheet to remind you why and how we use them, then complete the activity sheet. (There are 3 different levels of challenge.)
- **Writing** – Choose a story starter then write your own mystery story. Use the guide sheet to help order your ideas and your planning and include some of the grammar you have learnt this week to make it even more interesting.
- **Handwriting –** 1
- **Comprehension** - Healthy Eating

Explore and Discover ***Ready, Steady, Grow!***

This week's mini topic is about where our food comes from, what seasonal foods are, why it's important to think about how far our food travels and herbivores, carnivores and omnivores.

Task 1

- Power point 1
- Sorting activity – seasonal foods.
- Power point 2

Task 2

- You are what you eat – herbivores, carnivores and omnivores.
- Power point 3
- Sorting activity - sort the animal cards into their groups.

French – greetings

Use the links below to practise your greetings in French

- **https://www.bbc.co.uk/teach/class-clips-video/french-ks2-how-to-introduce-yourself/zf84d6f**
- https://www.youtube.com/watch?v=NXkJ88ygPY0 song
- Greetings worksheet

Art/Design

This week we are going to start our new topic for Art: Still-Life and will continue in weeks 6, 7 and 8.
The first lesson is an introduction to Still-Life. We will be learning about what Still-Life is and why it is so important. There is an activity at the end of the PowerPoint for you to complete where you can create your very own Still-Life drawing using what's around you!

PHSCE – Take a look at the Votes for School tab.

Music - Click on the additional resources link at the top of year 3 learning for more information.

Busy things

In addition, we have set some tasks on 'busy things' to support our home learning activities. See link https://www.busythings.co.uk/lgfl-login/
We will be uploading assignments for the children to complete on busy things every Tuesday. The children will have one week to complete each assignment unless it is an ongoing project.

We'd encourage at least one maths and one English task to be complete every day, along with daily reading. Please keep checking the school website for updates. New work will continue to be uploaded on a weekly basis.

Keep smiling.

Mrs Parker, Miss Bagridge and Mrs Eason.
