Chocolate nests

You will need (for 8 nests)

Equipment A large plastic bowl
A large heat-proof bowl
A saucepan of hot water
A tablespoon
Small paper cake cases.

Ingredients
200g chocolate
3 Shredded Wheat
Sugar Coated mini eggs

Insert picture here

method

1. Crumble the Shredded Wheat in a big bowl

2. Break the chocolate into small pieces and place in a heat-proof bowl.

3 Rest the bowl over a saucepan of hot water. The chocolate now needs to melt.

4 Stir until all the chocolate has melted.

5 Add some of the Shredded Wheat to the chocolate to give a twiggy effect.

6 Spoon some the mixture into one of the paper cases to make a nest shape.

7 Make a hollow in the middle big enough for a mini egg.

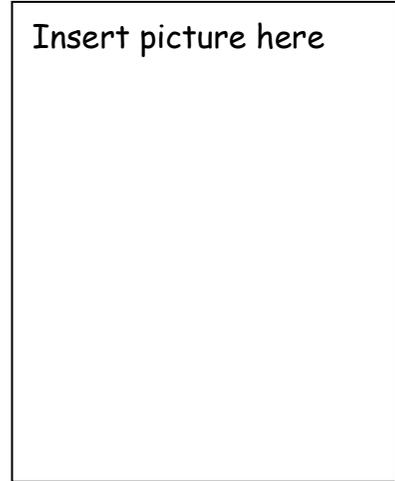

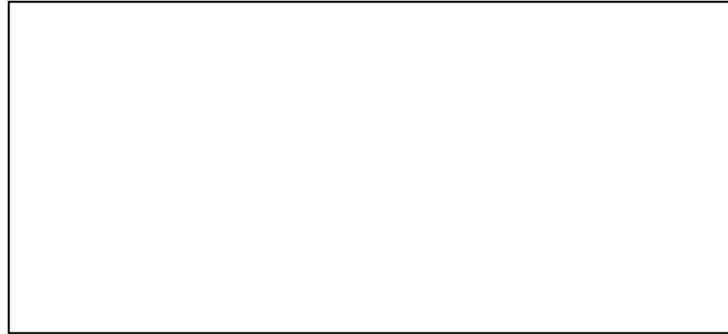

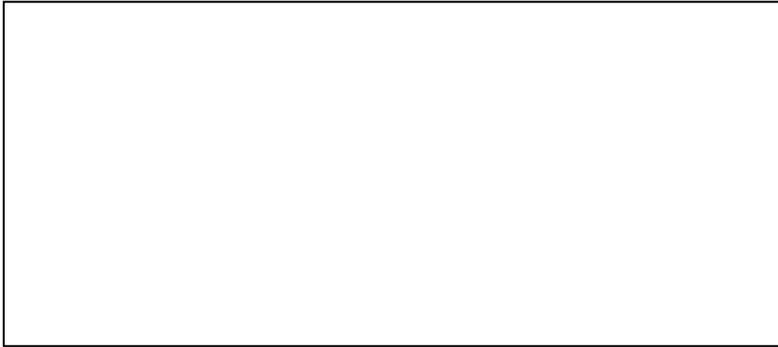

8 Put the egg in the nest.
