

Dear Year 4 Parents and Carers,

We hope you are all well and managing to stay safe. As we are now uploading work at noon on Monday's, we have altered the timetable slightly to accommodate for this. Please note, that the children will have a Busy Things assignment to complete on a Monday morning (to replace the Tuesday assignment) and we also recommend that children do their handwriting, spelling, and times table practice in this slot as well.

English:

This week, the children will be writing a non-chronological report. The lesson plans comprise of two different comprehensions, a features lesson, and a SPAG lesson. The children should use the build-up of the write to consolidate their understanding of this style of writing. Follow this link which will take you to the lessons.

Alternatively, click on this link <https://www.thenational.academy> , click on classroom, subject, Year 4, English.

Spellings will be as normal in the Schofield and Sims book.

Maths:

The children are now coming to the end of the block on measurement, and it is fantastic to see how much they have improved! The focus will be on money and mixed measurements. Follow this link which will take you to the lessons.

E and D:

We are focussing on geography this week, specifically rivers. On Tuesday, the children have a powerpoint to work through, followed by an activity sheet. For Wednesday's lesson, the children will be learning about famous rivers, using the powerpoint, before creating a bright and informative fact file, comparing two rivers of their choice.

PSHE:

Please look on the school's website, in Distance Learning, for the latest Votes for Schools presentation. Votes for Schools is a fantastic resource that discusses world wide issues at a level the children can access. Even though the topics are age appropriate and have been carefully considered, we advise you to look through the presentation beforehand so that you can pre-empt any questions your child may have.

Please note: Children can work from the screen and answer questions in the red exercise book provided in their original distance learning folders, if it is easier and more manageable.

If you have any further questions, please do not hesitate to contact us. Best Wishes,

Mr. Andreotti and Mrs. Newport
