

Dear Year 4 Parents and Carers,

We hope that you are all well and you have enjoyed continuing your learning through the Oak National Academy in addition to the lessons we provide.

**English:**

This week, the children will be tasked with writing a character description. The children will have a lesson on subordinate clauses within this week which will allow them to really deepen the level of their descriptive writing. There will be two comprehension lessons, a lesson that focuses on the features of the style, a SPAG lesson and the write. Please follow this link to find the lessons under the heading Character Description:

<https://www.thenational.academy/online-classroom/year-4/english#subjects>

Spellings will be as normal using the Schofield and Sims book. Your child should continue to practice handwriting and they can use the words from this week's spellings to practice.

**Maths:**

The children will continue the lessons on measurement which they began last week, working through lessons 6 to 10. Please follow this link to find the lessons under the heading Measurement:

<https://www.thenational.academy/online-classroom/year-4/maths#subjects>

**E and D:**

The children will continue to learn about North America with a focus on Geography. There are two lessons to go through, the first on mountains generally and the second on mountain ranges in North America.

**Music:**

Mrs Wood has continued to upload music lessons on to the Charanga website which can be accessed by following the instructions in the box.

Use the website Charanga.com  
Use the student login to access yumi  
Password- firstname surname "kps"  
Password classname  
eg  
fredbloggskps  
dahl

**PSHE:**

Please look on the school website for the latest Votes for Schools presentation. As always, we advise you to look through the presentation before asking your child to go through it so you can pre-empt any questions your child may have.

**Please note that children can work from the screen for all our lessons using their red exercise book to write any answers or complete work if this is easier and more manageable.**

If you have any further questions, please do not hesitate to contact us using the class emails.

Best wishes,

Mr Andreotti and Mrs Newport
