

Maths

We are continuing with place value to 100 this week.

- **Monday – LO: To recap last week's learning - partitioning numbers into tens and ones.**

Oral starter- Count to 100 forwards and backwards.

Introduce lesson with MONDAY number recognition and place value powerpoint.

Work - ALL – Diving into mastery

Tuesday – LO: To find 1 more 1 less than a given number.

Oral starter: Flashback 4 powerpoint

Introduce lesson with TUESDAY powerpoint.

Work – ALL – Complete the missing numbers

Challenge work: White Rose Maths sheet

Wednesday – LO: To find 1 more 1 less or 10 more or 10 less.

Mental starter: True or False powerpoint questions

Work – ALL – Diving into mastery 1 more 1 less (start with the easier sheet and then if you want to challenge your child do another one or two.)

Challenge work – Find 10 more or 10 less than a given number

Thursday – LO: To make 2 digit numbers and find one more and one less

Mental starter: Practice your number bonds to 10 or 20.

<https://www.bbc.co.uk/bitesize/topics/zwv39j6/articles/zx3982p>

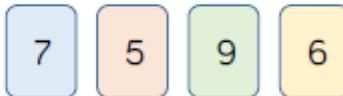

Work:

Use the number cards to make 2 digit numbers.

Now write down one more and one less than the numbers you have made.

Use equipment if needed.

Challenge – can you find 10 more and 10 less than they number you have made.

- **Friday – LO: To solve problems using place value.**

Mental starter: To count in 2s, 5s and 10s. Practise counting in 2s starting from 10; practise counting 5s from 25. Practise counting in 10s from 50 and backwards from 100.

Work–ALL- Solving problems using place value.

You do not have to print out the powerpoints just show them on the computer.

Extra work if your child is super speedy during the week:

Challenges for year 1 or year 2 children on: <https://www.bbc.co.uk/bitesize/articles/zhvf382>

Times Tables Rock Stars and Numbots

English

- Daily reading – Please continue daily reading and record this in their reading records as per normal. Please encourage them to read any books that you may have at home. The Oxford Owls website has lots of engaging resources.
- Phonics- Continue to do the daily live lessons (Letters and sounds for home and school) Year 1 sessions are at 10.30am. However, if your child is finding them difficult they can listen to the lesson at 10am or 11am which will be easier. (See letter in folder.)
- The materials for this week’s English lessons can be accessed online, as we are continuing to use the **Oak Academy online classroom**.

On your search engine go to the following address <https://www.thenational.academy/>

Click on the subject button and select year 1, English.

We will be learning how to write an information text and the unit of lessons is called ‘Terrifying T-rex’

The sounds for the week are **oo, ew and u_e**. This week’s spellings will help to consolidate the alternative ways that these sounds are used. The spellings are: tooth, food, chew, grew, include, huge, was, the (Please adjust the number of spellings if your child needs less.)

As before, the children will listen to the story before answering questions on it. These questions can be completed in their **distance learning exercise book**. Remember to write in full sentences using capital letters and punctuation where appropriate. As well as always using beautifully neat cursive script. The week is divided into 5 different activities, designed so that one is completed each day.

Explore and Discover

Science

- This week we are exploring changes in seasons. The learning for this can be found on the Oak Academy website again, under ‘Humanities’
- The unit of study is split into 6 lessons and designed to be carried out over two weeks (3 lessons per week). However, since one of the lessons is about measuring rainfall, we thought it would be useful to know in advance.

Music

- Year 1 love singing so there are words and music on: <https://www.outoftheark.co.uk/> and <https://www.singup.org/singupathome> . There is a virtual music assembly everyday at 1pm on <https://www.voices.org.uk/>
- <https://www.croydonmusicandarts-soundworks.co.uk/yumu/login>

E-safety

<https://www.thinkuknow.co.uk/globalassets/thinkuknow/documents/thinkuknow/parents/pdf/thinkuknow-5-7s-home-activity-sheet-3.pdf>

Wellbeing

- We have included a wellbeing journal with may be useful for helping process things at this unusual time.
