

Dear Year 4 Parents and Carers,

We hope you are all well. We have really enjoyed all of our Teams Meetings with both Pullman and Rowling, and we are super excited to have our final one this Friday 10th and we hope that you will all be able to attend.

English:

This week, the children will be continuing a story. They will be using the Oak National Academy scheme of work which will enable them to focus on a number of technical aspects to ensure their writing is the best it can be. Please click on the following link and scroll down to Genre Focus: Story

<https://classroom.thenational.academy/subjects-by-year/year-4/subjects/english>

Spellings:

Please continue with the handwriting sheet that comprises the Year 3/4 statutory spelling words. We would like the children to use the first sheet for handwriting practice, and then for them to be tested on those words. Please then continue with one sheet per week until the end of term.

Maths:

The children will be using Oak National Academy for their maths this week. The focus is Reasoning with Patterns and Sequences. This requires quite a bit of reflection and perseverance, and we know that the children will have fun with it. Please click on the link below and scroll down to Reasoning with Patterns and Sequences.

E and D:

This week, the children are learning about teeth. They will be completing a labelling activity before taking part in a science experiment. Please refer to the E and D presentation for a list of items you will need.

R.E:

The focus this week will be looking at what makes a good reflection or prayer space. The children will be mind mapping key ideas before designing and drawing their own calm and peaceful area.

PSHE:

Please look on the school's website, in Distance Learning, for the latest Votes for Schools presentation. Votes for Schools is a fantastic resource that discusses world wide issues at a level the children can access. Even though the topics are age appropriate and have been carefully considered, we advise you to look through the presentation beforehand so that you can pre-empt any questions your child may have.

Please note: Children can work from the screen and answer questions in the red exercise book provided in their original distance learning folders, if it is easier and more manageable.

If you have any further questions, please do not hesitate to contact us. Best Wishes,

Mr. Andreotti and Mrs. Newport
