

Dear Year 4 Parents and Carers,

We hope you are all well. We would like to say a big thank you for all the hard work you have been doing to support your child's learning over these past fourteen weeks. This is the last week of distance learning. Please see below for a guide to this week's lessons and activities.

English:

This week, the children will be writing a diary entry. They will be using the Oak National Academy scheme of work which will enable them to write a diary about an exciting day where they get sucked into a computer game. Please click on the following link and scroll down to Genre Focus: Diary.

Spellings:

Please continue with the handwriting sheet that comprises the Year 3/4 statutory spelling words. We would like the children to use the first sheet for handwriting practice, and then for them to be tested on those words. Please then continue with one sheet per week until the end of term.

Maths:

The children will be continuing their work on Patterns and Sequences. They will be using the Oak National Academy scheme of work to support their learning. Please click on the following link and scroll down to Reasoning with Patterns and Sequences:

PSHE:

As this is the last week of term, we have designed some transition activities for the children to complete. Firstly, a letter to their new teacher where they can tell them all about how they like to learn, anything they are worried about and all the things they are looking forward to. There is also a passport activity where the children can add in their favourite memories from their time at Keston so far, ready to build on them as they move into Year 5. Finally, we would love the children to create a piece of art; this can be a collage, a pencil drawing or a painting that represents their time in Year 4. We can't wait to see the results of these activities.

Please note: Children can work from the screen and answer questions in the red exercise book provided in their original distance learning folders, if it is easier and more manageable.

If you have any further questions, please do not hesitate to contact us.

We wish you a restful and enjoyable summer. Best Wishes,

Mr. Andreotti and Mrs. Newport
