

Keston Medical Application Supplementary Form
(part of the PACE Academy Trust)

Application for a place under the medical criteria.

All schools have experience in dealing with children with diverse medical needs. In a very few exceptional cases, however, there may be reasons why a child needs to attend a specific school. If you feel there are exceptional reasons for your child to be considered for a priority placement under the medical criteria at Keston Primary School, you must complete this additional form. Please note that you are still required to complete the usual application and submit it to your home local authority for Reception September intake or to Croydon Local Authority for In-Year applications.
