26th February 2019

Dear Parents/Carers,

On Tuesday 19th March 2019, Year 5 will be visiting The Observatory, Herstmonceux, to enhance our Forces Science topic.

There will be two group activities – Newton in Motion, and Bridge Building.

We will be travelling by coach and minibus leaving Keston at 8.30am promptly. We therefore ask you to make sure that your child is in school at 8.15am that day. It is a long journey to The Observatory and we will be unable to wait for late arrivals. We will then return to Keston by approximately 4.15pm; this will depend on the traffic on the day.

The children will need to wear their school uniform. They will also need a packed lunch and drink (no glass bottles or fizzy drinks please). As we will be spending some of the time outdoors, the children will also need a warm coat.

We are asking for a contribution of £16.00 to cover the cost of the coach and entrance fee. Payments should be made via Parentpay. If you require a bar-coded letter please contact the office.

Yours sincerely

Mrs Loft
Mr Edmonds
Miss Sutton

.....
The Observatory – Herstmonceux

Please return to the school office

I give permission for my child to travel on a coach or minibus to The Observatory Herstmonceux on Tuesday 19th March 2019.

I have paid £16.00 to cover the cost of this trip via parentpay / I require a barcoded letter.
