

## Additional Summer Term Learning Resources

### Music

At Keston we subscribe to an on-line music learning platform called 'Charanga'. This exciting resource offers ways in which your child can continue to build on their music skills whilst distance learning.

Mrs Woods and Mrs Cawkwell have put together some guidance as to how this can be accessed from home via the link:

<https://www.croydonmusicandarts-soundworks.co.uk/yumu/login> :

### **Years 1 and 2 – Log in is the same as their Lgfl login**

- Click on the world to get started.
- The first time they log in, they can create an avatar for their 'musical world'. Some of the activities available have previously been used in class, so the children should be familiar with the format and contents.

**Years 3 – 6 – Log in is your child's first name then surname (all lowercase with no gaps) followed by "kps". Password is your child's class – all lower case**

Example  
username fredboggskps  
password rosen

Each week your class will have an uploaded lesson to follow in the assignments section e.g. lesson 1. Open up the assignments to join in the activity.

There are song banks to use and if your child plays an instrument e.g. recorder, piano, guitar, they can access these areas to keep practising.

If there are any queries, you can message Mrs Woods or Mrs Cawkwell via the school office.

### Mathematics

Your child now has both a Times Tables Rock Stars and Numbots account. Your child can access these maths programs from home:

#### **Numbots**

<https://play.numbots.com/#/account/school-login/85218>

#### **Times Tables Rock Stars**

<https://play.ttrockstars.com/login/85218>

Your child's log in is the same as their lgfl log in – their log in is also their password for these programs.

## Reading

**Oxford Owls** is a fantastic website for supporting early reading development and beyond and is currently offering free access to their online e-books.

The website contains phonics scheme books (both fiction and non-fiction) that will match the children's current book band level and colour. There are also some longer, more challenging novels. Please note, these more challenging books come in audio only but are just as beneficial for the more able reader as they are rich in language and cover a variety of genres.

Please follow the link to <https://www.oxfordowl.co.uk/> and click on 'My class login' in the top right of the screen.

Mrs Parker and Miss Perrin have assigned each class in the school an individual log-in to allow the children to access these books at home. Please look below the username and password for your class.

\* Please take note of the upper case letters in some classes.

<b><i>Class name</i></b>	<b><i>Username</i></b>	<b><i>Password</i></b>
