Monday 20th April 2020

Dear Parents/Carers,

I hope you have all managed to have a rest of some kind over this very unusual Easter break. It feels very strange not to be welcoming the children back today but I hope you are all well and staying safe. The school was open for most of the Easter holidays for children of key workers.

Some of the children have been busy creating a tribute to our wonderful NHS.

The new distance learning materials have been uploaded for this week and I have also attached a sheet with some new online learning for the children. As I have said in previous letters, if your child completes a piece of work which needs to be looked at or that they are proud of you can photograph it and email it to their teacher as an attachment. We love seeing the children's fantastic learning from home so please keep sending work in to the class teachers. The teachers will check the emails regularly. In due course, we would like to showcase some of the work being accomplished at home.

We do not know when we will be able to open the school fully but rest assured that we will continue doing our utmost to keep your child learning and our school community connected.

It is certainly a strange and challenging time for everyone at the moment. Remember, if you have any concerns about helping your child to learn or you need any other support from the staff at Keston, please let us know via class emails or this email address: office@keston.croydon.sch.uk which is checked regularly.

During this difficult time, if you have any concerns relating to the safety of children or families please follow the recommendations on the school website under the Safeguarding tab. You can also contact our Designated Safeguarding Leads at: safeguarding@keston.croydon.sch.uk

Over the last few weeks, we have all had to adapt to new ways of working, so I wanted to take the opportunity to say what an amazing job you are all doing supporting your child's wellbeing and learning during this time.

We are all missing our Keston families and are very much looking forward to welcoming you back.

With all my best wishes,

Helen Green
Head of School
