Friday 25<sup>th</sup> September

## **Supporting Keston – Library Project**

Dear Parents and Carers,

These last few months have been different for Keston and schools across the country, for obvious reasons. In recent weeks, I have been reflecting on all of the 'traditional' fundraising events we would normally have held. For example, the Summer Fair, school discos and the Christmas Fair have always been highly successful events run by the PTA. We know it takes a lot of work for those organising these events – but it is hugely appreciated by everyone. These events bring us together as a school community and they also raise much needed funds for the school.

However, we have thought of a way that you would still be able to support the school and get involved with a project that will improve the outcomes for all children.

We would love to upgrade the selection of books in our library ensuring there is a good 'current' selection of books relevant to our children and their experiences. Therefore, we have created an 'Amazon Wish List' of books to share with you. If you are able, and would like to support us, we would appreciate books being donated via our Amazon wish list so they can be delivered directly to school.

This hyper link will take you directly to the page: [Keston Library Wish List](#).

Please do not think this is expected. This is only for those who are currently in a position to assist and would like to donate a book(s) to the school library. Payments can be made on Amazon through our wish list link. If you leave a message to say who the donation is from, we will add this to the inside of the front cover.

If you would like to share the wish list with Grandmas, Grandads, Aunties, Uncles etc. – please do. This list is also being shared with our staff and governors who would also have supported our fundraising events in the past.

We hope to be in a position to fundraise in a more traditional way next year, so there is enjoyment in you spending money at school events! However, in the meantime, this is a project that would have a fantastic impact on the provision for our children.

Thank you for your continued support.

Kind regards,

Helen Green  
Head of School
