What is the Coronavirus?

	The Coronavirus is a virus that can make people feel unwell.
	People who have the Coronavirus may have a cough .
	Some people may have a fever.
	Most people who have the Coronavirus will stay at home and get better.
	Some people who have the Coronavirus will go to hospital to get better.
	I can help stop the spread of germs by washing my hands with soap and water.
	Or I can use hand sanitiser.
	I know my family and teachers will look after me and I can talk to them if I feel worried.
