Friday 29<sup>th</sup> January

Dear Parents and Carers,

Thank you for your continued support during this difficult period. As we all now know, we will not be returning to school until at least the 8<sup>th</sup> March. We will continue to provide Remote Learning and live Microsoft Teams meetings. It is really wonderful to see the fantastic work being uploaded and sent in to class teachers. We appreciate how hard remote learning can be; every family has their own individual circumstances to deal with. Please continue to contact your child's class teacher if there are issues with remote learning and we will do our very best to work with you to resolve these.

Remember next week is **Children's Mental Health Week**. Please look out for a range of activities to support this.

- Tuesday 23<sup>rd</sup> March and

### **Devices**

As a family if you are struggling with devices, please can you email your child's class teacher. We are trying to secure extra devices.

### **School Office**

Please note that the office is closed for entry except for pre-arranged appointments and EMERGENCIES only. This is to help keep everyone safe. This means office staff should not be responding to questions at the door. Please phone or email the school office or direct questions to the class teacher via the class email.
