Latest news and bulletin updates

Superheroes Spotted!

Reports came flooding in last week of multiple sightings of masked heroes, some in capes, running at pace around Keston's track and school grounds. Onlookers were left in awe and amazement at the speed and commitment of the runners to achieve their best and do good for our school.

Many laps were completed, many smiles were seen and much money was pledged for our school. The self-made superheroes told eye-witnesses how long they had spent designing their costumes and how much they had raised. The Superheroes, who shall remain nameless for fear of their identity being compromised, did their school proud and organiser Jogathon-Johnson was awestruck at the commitment everyone showed to run and raise for our school!

Photographs were difficult as the masked heroes moved so quickly but some images were captured!

Fabulous Fundraisers!

It seems our Keston Superheroes have Super-Families too! The fundraising efforts to date stand at a massive

£5,100

I know there are so many families who haven't yet brought their money in.

Please help us add to this incredible total and smash our school fundraising record!

Now the challenge remains to collect all that pledged money in by **Monday 12th July**. Please send money in envelopes with sponsor forms (if you have them) either to your class teachers or via the school office for large sums of money.

Superhero capes designed looked fantastic with many children putting real thought and effort into their designs.

Super Sports Week!

July is the month to be at Keston this year as yet another sporting event takes place next week! The week beginning Monday 12th July sees Mrs. Johnson and her young leaders running no less than 5 Socially Distanced Sports Days for Keston!

Sports Days will take place on the following days, with strict social distancing in place:

Tuesday 13th July (morning) - Year 1 and 2

Wednesday 14th July (morning) - Year 3 and 4

Thursday 15th July (morning) - Year 5 and 6

Friday 16th July - (morning) - Nursery

(afternoon) - Reception

Our Sports Days will be on a different day for some year groups for and children should come in their PE kits with colour T-shirts on their allocated day, as well as for their PE lesson this week.

Unfortunately, we cannot have parents at Sports Day this year.

Dance Like Nobody's Watching!

This year's Sports Days will also see the return of the much-loved Sports Day dances and Key stage 1 and 2 have a different dance that they have been learning! Practices have been taking place at school but below are also links to videos that can be watched at home and practiced before the big day!

Key Stage 1 Dance - Reach for the Stars

Dress to Impress!

Keston Sports Day is all about colour and it would be fabulous to outshine the weather and brighten the field with our team colours. Children can wear a plain t-shirt in their team colour for the event, along with their normal PE kit to include royal blue shorts (or tracksuit bottoms if cold) and plimsolls or trainers. Please also bring a hat (if hot) and water bottle.
