

**As mathematicians, we will learn about geometry—describing position, direction and movement; money; place value—numbers up to 100 and beyond; telling the time to half past and O'clock and we will finish the year with addition and subtraction facts to 20 and beyond.**

**As writers, we will use high quality texts to help us write diary entries, stories and information. We will remember to use capital letters, full stops, exclamation marks and question marks; join ideas using and; and develop our use of using conjunctions or, but ,so and because. We will vary our sentence openers and use joined handwriting. As readers, we will be making simple inferences, learning new vocabulary and making predictions.**

**Homework: We strongly recommend reading at home, five times per week. Please help your child to learn their spellings.**

**As geographers, we will learn the countries and capitals of the UK and the continents of the world. We will look at hot and cold places. We will compare Tobermory in Scotland with Old Coulsdon.**

**No Science this half term.**

**Year 1  
Summer Term 2  
Island Life  
Phonics Check w/c 12th June**

**As computer scientists, we will learn to be young investigators. We will learn how to use websites and what websites are safe and reliable.**

**In PE we will play small games using equipment in addition to running the Keston Km three times a week. We are looking forward to our Sports Day on 30th June.**

**As musicians, we will be looking at what a musical score is and the signs and symbols used.**

**In wellbeing we will be exploring: What does being 'healthy' mean? What happens when we grow up? How do I manage change?**

**In RE we will start exploring Hinduism.**

**As artists, we will be inspired by Indian Rangoli patterns and will plan our own patterns considering symmetry, shape and colour. As designers, we will plan and make tattie scones.**
