As mathematicians, we will

- Continue to practise our addition and subtraction of 1 digit and 2 digit calculations.
- Look at the properties of shape, both 2D and 3D
- Increase our knowledge of money—including adding different amounts.
- Introduce multiplication and division.

We encourage you to help your child log into Times Table Rockstars, which will help them learn their 2,5 and 10 times tables.

Homework

Spellings and homework will go out on Mondays, to be returned the following Monday. Homework will alternate between: maths, grammar, comprehension.

As scientists, we will

- Understand how humans grow and change.
- Understand how animals grow and change.
- Look at why exercise and healthy eating is good for you.
- Explore how living things are different from things that are not alive.

As historians, we will

- Look at the life and work of Mary Seacole
- Explore how Florence Nightingale helped in the Crimean War.
- Compare the work of these two nurses and the work of others.
- Undertake a workshop about Mary Seacole 14th November.

As writers, we will

- Continue working on basic punctuation and handwriting presentation.
- Work on non-fiction information texts, as well as fictional diary entries and poetry.

As readers, we will

Read 'George's Marvellous Medicine' by Roald Dahl. Our VIPERS text will be using a non-fiction text about Florence Nightingale, as well as a book on poetry. We will work on finding information in the text, and develop our inference skills.

As musicians, we will

Explore pitch, paying attention to high and low sounds within an octave.

In wellbeing and RE we will

- Look at how our actions can affect others.
- Explore how we can resolve conflict.
- Look at the different communities we are a part of. .
- Explore how bullying can affect others and how to report bullying.
- Learn about Festivals of Light.

As artists and designers, we will

- Create a mechanism as part of a Design and . Technology project.
- Work on the research and design element, the making of the project, and the evaluation

13th December

As computer scientists, we will

- Continue to improve our basic computer skills.
- Continue our work on algorithms and debugging.

In PE we will

Work on dance skills and movement.

PE is on a Tuesday, please remember that children will wear their PE kits to school.

Autumn Term 2 Marvellous Medicine
