

### Mathematics

As mathematicians, we will be focussing on multiplication and division by two digits, as well as measurement, ordering and comparing fractions and co-ordinates. We will continue to develop reasoning skills where children apply their knowledge in different ways. We will be building on our basic arithmetic skills too.

### Science

As scientists we will be looking at the circulatory system and finding out how blood is pumped around the body. We will also focus on healthy lifestyles, discussing the impact of exercise, smoking and alcohol on the body.

### Explore and Discover

As geographers, we will be introducing the topic of North America where we will be looking at the impact of extreme weather land use, economic distribution, resources and tourism.

### Computing

As computer scientists, we will continue to learn how to become market analysts using a variety of different computer programs.

### English

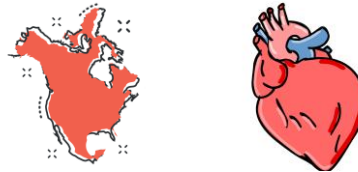

To develop our English skills, we will be studying Shakespeare's Macbeth (an abridged version). Through this text, we will be writing in a variety of genres including a playscript, discussion text and a monologue. We will also have a weekly focus on grammar, punctuation and spelling and will be teaching a reading comprehension weekly to develop children's reading skills.

Alongside this, we will be focussing on reading 'Street Child' by Berlie Doherty in our reading sessions which will improve the children's Vocabulary, Inference, Prediction, Explaining, Retrieval and Summarising skills.

*We encourage regular reading at home and regular use of reading records to support the children in achieving their goals.*

## Year 6 Autumn Term 2

### Power of Nature

### Micro-society

This term the children will have the opportunity to create a student-run miniature society. The society sets a foundation for leadership, entrepreneurship, and creativity and provides a context to motivate students to improve their academics in order to succeed.

### PE

In PE we will be using quick sticks and unihoc to develop team game skills. We will also be swimming too.

*PE Day: Wednesday*

*Swimming: Tuesday*

### Wellbeing

We will be continuing to use Votes for Schools to keep children aware of key events and issues that affect our world. We will also be joining in with anti-bullying week.

### RE

We will continue to look at Hinduism and later in the term we will be looking at different accounts of the Christmas story.

### Music

As musicians we will be rehearsing and preparing for our Young Voices performance at the O2 Arena.

### Homework

Maths and English homework will be sent out every Thursday and due on the following Tuesday. Spellings will be issued on a Tuesday and tested on the following Tuesday. The children should read at least 3 times a week to an adult.
