

As mathematicians, we will be finding the decimal and percentage equivalents to simple fractions. We will also be reading and interpreting various graphs and other statistics. We will be looking at symmetry in shapes and measuring angles.

We will continue to focus on our basic arithmetic skills as well.

In English we will be completing the book 'Goodnight Mister Tom' and beginning our new book 'Rose Blanche'. We will be concentrating on a variety of different genres such as formal letter writing, writing in role and a discussion text.

We will be focussing our spellings on the Year 5 and 6 word list and continuing to build on our grammar and punctuation skills.

In French we will playing games and practising vocabulary linked to our focus of food and pets.

In PE, we will be playing different games.

Year 6 Spring 2
Sandbags and Sirens

Please ensure your child logs onto Google Classroom weekly to check what they need to do for their homework.

In Wellbeing we will be looking at ways we can care for living things. We will also look at how our actions can have a positive and negative affect on the environment.

As geographers we will be exploring the map of the world. We will be looking at lines of longitude and latitude particularly the Equator, Tropic of Cancer and Tropic of Capricorn.

As scientists we will be studying light and investigating how light travels in straight lines. We will also be studying the eye and how we see things.

In RE we will be continuing to study Judaism. We will look at different Jewish festivals. We will then look at the Easter Story and the disciples encounter with Jesus on the Road to Emmaus.

As historians, we will continue to look at World War Two including the Battle of Britain, D Day, the Holocaust and the Blitz.
