

As mathematicians, we will be revisiting topics we have covered throughout the year. We will continue solving problems using algebra and BODMAS. We will continue with their weekly basic skills. We will be also be focussing on maths investigations. The children will need to use all their maths knowledge to solve these.

As writers, We will be concentrating on a variety of different genres such as instructional writing, diary writing, writing in role, writing biographies and writing descriptions of characters and settings. As readers, we will be continuing the book Holes by Louis Sachar. We continue to focus on comprehension skills in our 'VIPERS' lessons.

Homework: Remember Maths homework is set on Google classroom. English homework will be sent home on Thursday.

Year 6 Summer 2

In PE we will be focussing on the sport of athletics. The children will be learning a variety of track and field skills.

As designers we will be making pocket organisers. The children will design and create their own pocket organisers. They will learn to sew four different types of stitch.

In RE we will be looking at the journey of life. We will be looking at how different religions celebrate different events throughout life.

As historians/geographers, we will be studying maps and how to use them. They will be locating continents, countries and major cities around the world as well as learning about their significance in the world. We will be looking at the impact of the Windrush generation.

As computer scientists, we will continue to learn about programming. The children will learn how to code using the program Python. This will enable the children to gain programming skills.

As artists and designers, we will be learning about the landscape artist Ansel Adams. The children will be producing their own landscape collages in the style of Ansel Adams. They will be focussing on texture and tone in their collages.
