

# CAN YOU HELP US WITH MATCH FUNDING?

You will hopefully be aware of the fantastic work that Keston PTA are doing to raise funds for the school. We wanted to take this opportunity to remind you about the match funding scheme and how how you could help raise double the funds for the PTA.

If you work for an organisation that has a match funding policy, any money you raise could be matched by your employer. Companies may match the fundraising total for an event, or for the stall at an event. e.g. if £1,000 was raised on the BBQ at our Summer Fayre, a company that match funds would match that £1,000 and make it £2,000! Usually, all you will need to do is supply your employer with a letter from the PTA detailing the date and nature of the event, together with the total raised, but we can do that all for you, all you need to do is confirm that your company match fund.

We understand that the high street banks, building societies, supermarkets and large corporations are likely to do match funding, but these schemes are not exclusive to the major corporate giants. If you work for an independent company, they may be interested in charitable giving through match funding too.

We would be grateful if you could see if your employer has a match funding scheme, or if they are willing to match fund any of our events. You'll also find a list over leaf of companies that definitely match fund.

## WHAT DO I NEED TO DO IF MY COMPANY DOES DO MATCH FUNDING?

It could not be easier, simply check if your company is on the list overleaf or speak with your HR department if you aren't sure and then get in touch with the PTA.
